

## SALESFORCE – SALESHEET AND WHITEPAPER

Vidushi Infotech - LIVE UP TO YOUR BUSINESS DREAM WITH  
SALESFORCE RESOURCES

*Invest their focus on innovation, rather than engage time and resources on  
managing technology.*

As a global leader in CRM, Salesforce has grown into the fifth-largest software company in the world. We provide plethora of software solutions and a reliable platform for users and developers to develop & deliver custom software. With Salesforce you don't have to bother about application upgrades; they happen automatically. This facilitates organizations to invest their focus on innovation, rather than engage time and resources on managing technology.

### WHY SALESFORCE RESOURCES?

With Salesforce, organizations are able to connect with customers in a whole new way. We endeavor to build more meaningful and lasting relationships with clients. Our quest is to identify new opportunities to help, figure out issues faster, and deploy customer focused apps. Hiring our resources will let you sell, serve and market like never before.

We're not only into CRM for sales and marketing! Our platform encourages you to manage all client interactions and prospects; which help your company succeed like never before.

Salesforce lets you come across a massive community of experts, evangelists and our dedication to your company's growth. We lead organizations to stay one step ahead with innovations that other companies won't release for years. We bring groundbreaking technologies like artificial intelligence and advanced services for businesses to grow faster.

We can build and manage any kind of email campaign. Using Salesforce as a platform will help personalize your data in order to drive engagement. Our team helps you keep track of relationship with customers; and results in better ROI.

### SALESFORCE SERVICES

Salesforce gives you the opportunity to access a wide range of products and services on cloud, mobile and social domains. We offer the following services to clients; Salesforce Sales Cloud, Salesforce Marketing Cloud, Salesforce Service Cloud, Salesforce Community Cloud, Commerce Cloud, Analytics cloud, App Cloud, IoT cloud, and Health Cloud.

The brand has changed the way enterprise software is delivered, creating a massive impact in the industry, forever. Our CRM practice possesses wide experience implementing CRM solutions in a variety of industries, all over the globe.
